

Scott Sears at A1

FIG 1: SCOTT AND GARY OUTSIDE THE A1 OFFICE

On the 2nd of November 2017, Scott Sears took a quick break from training for his Antarctic trip to come and visit the A1 Pharmaceuticals Plc office and warehouse for a meet and greet with Gary Lewis and some of our team.

FIG. 2: ANDY, WAREHOUSE MANAGER AND SCOTT WITH GARY, MANAGING DIRECTOR.

Upon his arrival at 4pm, Gary met with Scott and presented him an A1 flag, badges, stickers for his sledge and a supply of warming gel along with an A1 beanie hat. After a brief but in-depth conversation about the tennis, Scott presented Gary with a ceremonial kukri.

Following this, Scott was then led into the A1 warehouse and was introduced to a few staff members who explained the various functions of the warehouse.

FIG. 3: SCOTT PRESENTING GARY WITH THE CEREMONIAL KUKRI, IN THE WAREHOUSE.

Hopefully Scott's trip goes smoothly without too many problems along the way.

Best of luck from A1.
